Labor’s Heritage

Cumulative Index to Labor Collections Reported From Archives in the USA and UK

1989-2000

Compiled by Mary Beth Corrigan

This index includes locations of records of unions and labor leaders reported in the news section or discussed in articles. Listings are followed by a short title of the repository as well as the volume: issue number: page. Main entries for unions and comparable groups appear under the initial descriptive word in the organization’s title. The union affiliations of labor leaders are noted parenthetically.
